Mel Odom : Space Station: Silicon Valley (Prima's Official Strategy Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Space Station: Silicon Valley (Prima's Official Strategy Guide):

It's no petting zoo! Detailed walkthroughs of all untamed levels Strategies for mastering all insane environments All robotic powers explained Locations of every item, from Teleporters and Cameras to Terminals and Souvenirs Complete weapons lists including rocket-fired foxes, armor-piercing tortoises, and polar bears with caterpillar tracks
