From Brand: Alfred Publishing : Spanish Serenade: Sheet before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish Serenade: Sheet:

A slow, 6/8 melody in A minor focuses on the use of right hand thirds. The simple left hand harmony uses open fifths and thirds. The left hand then gets to play the melody for 8 measures while the right hands switches to block chords. (Frances Clark Level 3) A Federation Festivals 2016-2020 selection.
