time fans of 3.5 Ed!1 of 1 people found the following review helpful. Great edition, even better in leatherBy Marcelo OliveiraI really liked this special edition. Both for the leather bound presentation and the 3.5 edition material that I did not have yet. Really, edition 3.5 is the best DD edition I have seen, specially in terms of game balance (and I have Player's Handbook of all editions, 1st, 2nd and 3.0).This Player's Handbook is really great.2 of 4 people found the following review helpful. Looks classyBy FrankI know you shouldn't judge a book by its cover, but when you add in the binding, page quality and everything else, this is one great book. Oh... and if you're into content, it's nice that they added all the errata to this book.

A deluxe, leatherbound version of the essential tool every DD player needs.Since 2004 is the 30th anniversary of the Dungeons Dragons game, Wizards of the Coast, Inc. is commemorating this milestone with a beautiful, special edition of the Player's Handbook. Created with the collector in mind, this special release now sports an embossed, leatherbound cover and premium, gilt-edged paper, along with beautifully designed endpapers.
