**Bill Handley : Speed Math for Kids: Helping Children Achieve Their Full Potential** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Speed Math for Kids: Helping Children Achieve Their Full Potential:

1 of 1 people found the following review helpful. SpectacularBy VK2WARI have been endorsing Bill's books to everyone I can. This man takes Tractenberg's principals and packages them into a concise easy to understand format

that makes teaching these principals a breeze. If you have children, if you are a teacher then it would be tantamount to dumbing down our nation if you are not teaching these methods.
