Shawna Huggins M.A. : Splat: Where Creativity and Math Collide.: Making Order of Operations Fun. before purchasing it in order to gage whether or not it would be worth my time, and all praised Splat: Where Creativity and Math Collide.: Making Order of Operations Fun.:

Making PEMDAS (BODMAS) Fun. Playing with the Order of Operation. A math logic game with three levels of play for math enthusiasts. In this math logic challenge game, there are many ways to solve each puzzle. The joy is in playing with the numbers and operations to increase your score. Skill Builder: Strengthen basic math, pre-algebra, and algebra skills as well as creative and logical thinking. Master the use of parenthesis, exponents, multiplication,

division, addition, and subtraction. Bonus operations include absolute value, square root, and percentages. Book includes game instructions, dozens of game sheets for every level of play, and black line reproducible game sheets for teachers, students, parents, and math enthusiasts. Teachers/Parents, this is a perfect way to play with math in the classroom/home because all of your students/children can win! For ages 8 - 88.

About the Author Shawna Huggins is a professional tutor for home school and public school students who want enrichment or need extra help with middle school, high school, and college level material. She instructs in most academic subjects and enjoys working with students of all ages and learning styles. Her specialty is making learning fun. A graduate of Southern Oregon University, Shawna received her Master of Arts in sociology from Washington State University and then returned to SOU as an instructor for the Sociology Department and the Youth Academy Programs. She currently teaches sociology and anthropology through University of Idaho's Independent Study Program. She also keeps busy with her tutoring business Learning Is Fun. If you are interested in academic tutoring, Shawna tutors students all over the world on Skype. You can contact her through her website www.learningisfun.biz.
