**Max Hardy : Splinters and Other Shortness Bids (B-4)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Splinters and Other Shortness Bids (B-4):

This book is a classic in bridge literature. Written by an eminent bridge player, director, and writer, the subject of splinters is covered in its totality, from the role of splinters in hand evaluation to the use of splinters in play. Sections concern The Role of Splinters in Hand Evaluation, Responder Splinters in Support of the Opening Bid, Opener's Rebid is a Splinter, Responder Splinters at His Rebid, Splinters in Notrump Auctions, Splinters after Preemptive Opening Bids, and Conventions Devised to Show Shortness.
