Collete Galante : Spohr - Clarinet Concerto No. 1 in C Minor, Op. 26: Music Minus One Clarinet in Bb Deluxe 2-CD Set (Music Minus One (Numbered)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spohr - Clarinet Concerto No. 1 in C Minor, Op. 26: Music Minus One Clarinet in Bb Deluxe 2-CD Set (Music Minus One (Numbered)):

(Music Minus One). Ludwig Spohr, who created quite a stir when he began conducting with an odd contraption known as a baton, was also one of the best known violinists of his day (i.e., the first half of the nineteenth century), and is primarily known today for his concerti and other solo works for the fiddle. That he was also quite adept at writing for other instruments than his own is proved by this C-minor Clarinet Concerto, his first of four such works, and a composition high on wit and solid craftsmanship. Includes a high-quality printed music score for B-flat clarinet and a digitally remastered compact disc containing a complete version with soloist, then a second recording of the orchestral accompaniment, minus the soloist; and a second compact disc featuring the complete version again, followed by a -20% slow-tempo accompaniment for practice purposes. Performed by Collete Galante, clarinet Accompaniment: Stuttgart Festival Orchestra Conductor: Emil Kahn

About the Author Helping educate musicians since 1950, Music Minus One provides performers at every skill level, an easy way to study, rehearse and perform with professional musicians in the comfort of their own homes. Offering compact discs with accompanying solo music parts from world-renowned soloists, Music Minus One albums offer a superb practice experience.
