(She writes under other names, as well.) Her books are historically correct. There is usually a maiden in distress; an evil other person; and, of course, a hero. There is always some romance and although it is there, it is not graphic. The books are never tiresome. They take place in different places from the moors of England to Ceylon (before it was named Sri Lanka.) I read this book quite a while ago but it is Victoria Holt in her finest. If you like gothic novels, Victoria Holt is the lady to read. It amazes me how prolific she was. 0 of 0 people found the following review helpful. Love Victoria Holt--good read By Die Pooh Great book. Good story. Loved it. 0 of 0 people found the following review helpful. what a great find By James Katsoff This is one of my favorite authors, her books are no longer in print. So happy that I could buy good quality used books on
