**Elizabeth Hollinger, James Ratkos : Spyro the Dragon: Prima's Official Strategy Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spyro the Dragon: Prima's Official Strategy Guide:

0 of 0 people found the following review helpful. easy to understand and always colorfulBy SheilaWe bought this guide second hand because for the second time, one of our guides that left the house, never came back. We don't even need the guide for this game, its for the original Spyro the Dragon game for the first PS game console. I can do the game, from start to finish in about 3 hours and know it by heart, though many areas of the game still remain a challenge. Every time we buy a game, we buy the strategy guide to help us out when we get stuck. Since we have them for all our games, most importantly for the 2nd and 3rd Spyro games as well, we wanted the complete set again. This guide came to us in 'like new' condition and boy, is it. We always buy Prima Official Strategy Guides because they're made so well and literally last forever if you take decent care of them. These books are thorough, easy to understand and always colorful. We will continue to buy from Prima any time we have a game we want a strategy guide for.0 of 0

people found the following review helpful. Good productBy tlegardeGood product0 of 0 people found the following review helpful. Nicely illustrated and clear explanationsBy CustomerWithout it I feel the game would have been impossible to complete. Nicely illustrated and clear explanations! Clearly a bargain!

Poor Spyro. All of his friends have been frozen by an evildoer who thinks that dragons should be locked in a crystal state. This fire-breathing dragon will go to the end of the world, er, make that 6 worlds, to liberate his friends. Get Spyro the Dragon: Prima's Official Strategy Guide to learn how to run, jump, and head-charge through all 30 levels and rescue Spyro's friends. You'll also get: Complete glide-through of all six worlds Lessons from the Council of Dragons Hot hints on beating the baddies Location of every dragon All 12 dragon eggs revealed Secret Loot area revealed
