DisappointedBy CustomerThis didn't meet my expectations as I was looking for a strategy for getting two gems at the top of a tower in the Fireworks Factory. I was disappointed that this guide didn't provide this.0 of 0 people found the following review helpful. Ah ChildhoodBy CustomerI adored the game as a child, and had been a huge fan since the series first began. I had the strategy guide for the first three games but they fell into oblivion some time ago. I was more than happy to receive this booklet (which came to me in excellent condition) and gain back a few of those precious memories of childhood.0 of 0 people found the following review helpful. Video game collections.By Jeffrey J. GuntherA much needed guide if you own the game. This manual tells you so much more on how to properly play the game. A must for any gamer.
