0 of 0 people found the following review helpful. A must have for teachers. By Sachie Good variety of selections from different eras, exploring English, French, German Italian. 0 of 0 people found the following review helpful. Small font By Customer The book contains great pieces. However, the music has been printed in very small font, which is difficult for me even as someone who is fairly young. It's not impossible to read, so I would still recommend purchasing, but I feel this could be improved. 0 of 0 people found the following review helpful. First choice By
