The guide has been EXTREMELY helpful as there is not much in game assistance . Sooooo many things online guides could not help me with, if you're playing star wars rebellion this is an absolute must have.2 of 2 people found the following review helpful. A good book recommended to all fans of SWBy Marco FaccinRebellion was my favorite game long time ago. I still remember how happy I was when finally crushed the rebel HQ and kill one by one the rebel scum. Hail to the Empire !!!1 of 1 people found the following review helpful. PerfectBy XanGood condition. A great strategy guide for a great game. Some of it is pretty basic for anyone playing the game as long as I have been, but at this price, it's a collectable I don't mind getting.

Will the galaxy be yours? Powerful tactics for both the Rebel Alliance AND the Galactic Empire Intense single- and

multiplayer strategies Complete walkthroughs of all scenarios Extensive combat tips Complete resource management, manufacturing, fleet control, and mission assignment tips Comprehensive breakdowns of all 60 characters, from Luke Skywalker to Emperor Palpatine

.com This excellent guide to LucasArts' new Star Wars: Rebellion explains the ins and outs of the game's complex interface while providing key insight into the strategies needed to achieve galactic supremacy. Section topics include resource management, characters and missions, shipyards and fleets, and mines and refineries. The guide explains each ship type in detail as well as the various types of missions available to your personnel. A thorough appendix lists all of the game's key data, from ship and weapon strengths to facility capabilities. So if you're having trouble taking over the galaxy or if you simply can't find your way around Rebellion's interface, you'll definitely want to get your hands on this book. --Michael Ryan Will the galaxy be yours?
