Liz Dale : Starter Bridge for ages 8-13 years - A Handbook for Schools before purchasing it in order to gage whether or not it would be worth my time, and all praised Starter Bridge for ages 8-13 years - A Handbook for Schools:

Maybe you have often thought that you would like to start a Bridge Club in school but it just seemed too daunting, too overwhelming when there is so much to do and so little time available. Let this Starter Bridge Handbook, specifically written as a 30 minute school lunchtime activity, inspire you to offer your students the endless educational opportunities afforded by learning the skills of the worlds greatest fun-loving card game of all. Starter Bridge takes no

heed of colour, age, disability, religion, language, or wealth - whether rich or poor. So, can anyone play? No, of course not. . . . ! Only happy, smiley faces! Four students and one packet of cards is all you need to get started. Just follow the tried and tested winning step-by-step instructions laid out in this Handbook eliminating all the usual frustrations and obstacles when starting a school Bridge Club. Enjoy and thrill to the legacy of starting your students on their Bridge journey for life.
