NOT what you thinkBy ChristopherThe book is ok and the songs are good but, what i loved about this show was the mixing of songs which are NOT in this book. It is a book of songs from the original shows. It really should be part of the all sondheim collection of books cause that's all it really is.

Contains: Back in Business (Dick Tracy) * The Ballad of Booth (Assassins) * Barcelona (Company) * Broadway Baby (Follies) * Children Will Listen (Into the Woods) * Send in the Clowns (A Little Night Music) * Water Under
