Stephen Sondheim : Stephen Sondheim - Assassins. (Revised Edition - Vocal Score) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stephen Sondheim - Assassins. (Revised Edition - Vocal Score):

For Voice. Vocal Score.....This musical, with a book by John Weidman, explores the history of presidential assassination in America, from John Wilkes Booth to John Hinckley, Jr. Assassins climaxes in a surreal sequence where the assassins convince Lee Harvey Oswald that his act is the only way he will connect - with them, with history, and with the world.....Newly edited, with new music engravings. Based on the 2004 Broadway production.
