**Craig Hopkins : Stevie Ray Vaughan - Day by Day, Night After Night: His Early Years, 1954-1982** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stevie Ray Vaughan - Day by Day, Night After Night: His Early Years, 1954-1982:

1 of 1 people found the following review helpful. Very good book By michele Del rio Bought this book for my boyfriend's birthday 6 months ago I don't think he's even read 1/2 of it. It is such a good book with so much detail it said it's the second edition we're trying to find the 1st edition. We got this book at a very good price now we come here 1st for books. 0 of 0 people found the following review helpful. Loved this book By Customer Loved this book! As a SRV fan, found this to be most informative, and his story only makes me a bigger fan! Thank you for all your efforts

in putting this together to tell his story!0 of 0 people found the following review helpful. The size is more of a coffee table book size and not one that is easy to read unless you're sitting at a tableBy KateI bought this as a gift for my father who has always been a huge Stevie Ray Vaughn fan. He absolutely loves it. The size is more of a coffee table book size and not one that is easy to read unless you're sitting at a table. So, that's the only complaint I have.

(Book). It is no easy feat to capture the enormous spirit of Stevie Ray Vaughan, a man whose presence in the world was like an untamable fire, shooting flames of raw talent, passion, and innovation. That bright light wrestled with a dark side, an addiction and sadness that threatened to put out the fire forever. His unmatched guitar playing, buttery vocals, and unforgettable songs made him a triple threat. Vaughan is arguably the greatest guitar god who has ever lived a re-inventor of guitar and the blues. Twenty years after his death, he lives on in the hearts of millions of people around the world. In a day-by-day format, Craig Hopkins presents an unprecedented celebration of this wonderful artist. This book is the first installment of a two-volume account of Vaughan's life. With this work, Hopkins delivers one of the most detailed biographies of any musician. This edition covers the complete history of Vaughan's roots, from his childhood to just before his first major release. Filled with testimonials from those who knew him best and from fans everywhere, along with facts about tour dates and recordings, stories about his bands and life on the road, rare artistic and historic photographs, and more, this lavishly illustrated book is the ultimate collector's item for any Stevie Ray Vaughan fan.
