Very challenging (that cat could play) yet rewarding... these tabs and notation are dead on with the recorded versions. Worth every penny. 1 of 1 people found the following review helpful. Five Stars By Perry D Great tabs, only wish I could play as well as SRV! 3 of 3 people found the following review helpful. Great Book Pure Tab By bendies! This is a great tab book but I have been working on Lenny and one of the main chords used in Lenny is different from the way Stevie played it on The El Macombo concert. This is a great book to learn from. I requires

dedication to want to complete a song especially an entire album like The GREAT TEXAS FLOOD, which is my goal. I wish everyone well in there effort to master this masterpiece. This book is pure tab with some interesting black and white pictures of Stevie mixed in.

(Guitar Recorded Versions). All 10 tunes from SRV and Double Trouble's monumental first album, transcribed in tab and notation: Dirty Pool * I Wanna Testify * I'm Cryin' * Lenny * Love Struck Baby * Mary Had a Little Lamb * Pride and Joy * Rude Mood * Tell Me * Texas Flood.
