**Edgar Allan Poe : Stories and Tales II (Mystery Theatre)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stories and Tales II (Mystery Theatre):

0 of 0 people found the following review helpful. An over-dramatic presentation of Poe's worksBy Hsieh ker-lianI have bought several audiotheater's tapes from . Basically,thease audio plays come in two forms: Some are very faithful to the original novels or stories, such as 'The Secret Garden' and 'Captains Courageous', which can be described as a

shorten versions of the original text, but with sound and dramatic effects. In my opinion, this approach, though old-fashioned and lack of creativity in some degree, remain to be the best approach in introducing classics to listeners. The other method used by the Monterey Soundworks, seems to be more daring and more liberal in creating more 'characters' or 'plot' in to the stories. In this regard, the dramatic effect seems to take into account at the expense of the original stories. I had to say that "Poe's Stories and Tales II" had fallen into the second category. Take 'Black Cat' The story Poe wrote is from the first person narrative, while in this tape, another character, 'the priest' was added, to create a sort of dialogue between the two. It's all very well just for the dramatic effect, but it did kill the narrative flow of Mr. Poe. The other stories in this tape almost follow the same approach, with stereotyped kind of 'add-on' characters abound the stories, the real tales seem lost and can not be found, just like the Purloined Letter of 0 people found the following review helpful. An outstanding, dramatized, flawless audio production. By Midwest Book Review From The Black Cat to The Purloined Letter, Stories Tales II provides a full-cast production of five of Poe's finest mysteries, with supernatural influences upon murders and scandals marking his special brand of intrigue. Enjoy an outstanding selection of short thrillers here with the Players dramatizing the entire effort.

Book by Poe, Edgar Allan

From AudioFile Monterey Soundworks brings a classic of American horror to life in this full-cast performance. The Poe tales--"The Black Cat," "The System of Dr. Tarr and Professor Fether," "The Purloined Letter," and "The Murders in the Rue Morgue"--are faithful adaptations of the originals. The acting throughout is uneven, with the many foreign accents badly overdone. But overall, these plays are pleasant entertainments based faithfully on classic stories of crime and horror. S.E.S.
