Strategies for Attracting Good Luck is composed of seven parts: Cash In On the Luck of Others tells you how to choose lucky participants for your lottery pool or syndicate. Mystical Secrets of Good Luck explains how luck works and how to make luck work for you. Techniques to Attract Good Luck does just that; it gives you techniques to attract good luck. Find Your Own Good Luck Within gives you a mental exercise that if done will amaze you. The Power of Luck Confirmed shows how certain lottery jackpot winners won because they deliberately tapped into good luck. Cash In On Your Lucky Cycles shows you exactly the best dates to buy lottery tickets and the exact dates you are destined to lose -- all based on your birth date. What It Feels Like to Be a Lottery Jackpot Winner prepares you for winning the Big One. I have made a composite of the stages a jackpot winner goes through once he sees he has the winning ticket -- and when you win the Big One, this could be your experience as well.

About the AuthorGail Howard has successfully used these good luck strategies throughout her world travels in more than one hundred countries and in several occupations: as a performer, gem dealer, stock broker, commodities futures trader and more. She is the author of Lottery Master Guide and other lottery books which have proven to be lucky for winners of 106 first prize lotto jackpots totaling more than one hundred million dollars. She believes that in addition to her Smart Luck lottery systems, luck is essential to winning a top prize in lotto.
