Stephanie Jordan : Stravinsky Dances before purchasing it in order to gage whether or not it would be worth my time, and all praised Stravinsky Dances:

Stephanie Jordan's ground-breaking survey and close examination of a range of Stravinsky dances - some familiar, others less so - sheds new, unexpected light upon a renowned composer of ballet music. This book is essential reading for scholars and students in the fields of dance, music and interdisciplinary studies.

About the Author Stephanie Jordan is a Research Professor in Dance at Roehampton University, London. She trained both academically and professionally as a dancer and musician, and is known internationally as a writer and conference presenter on dance. Her books include *Striding Out: Aspects of Contemporary and New Dance in Britain* (1992) and *Moving Music: Dialogues with Music in Twentieth Century Ballet* (2000), both published by Dance Books.
