**Victor Mollo : Streamline Your Card Play** before purchasing it in order to gage whether or not it would be worth my time, and all praised Streamline Your Card Play:

2 of 2 people found the following review helpful. A great book for learning bridgeBy PaulVictor Mollo was one of the greatest writers of bridge books but none were better than Streamline Your Card Play. I have recommended the book to all my students.

The focus in these pages is on tomorrow. The advanced player of yesterday is the average play of today, edging forward to expertise. To speed him on his way this is, in computer parlance, a new generation text book. Victor Mollo's method of instruction is based on reader participation....
