kid. Now I'm using it to teach my daughters how to play. Great book to start with. 0 of 0 people found the following
review helpful. Seems like a good book By E. Connmy daughter needed it for violin and its what it says it is. Her
teacher recommended it. 0 of 0 people found the following review helpful. When I chose this in Paperback it became
the book for Viola By BT Mom I bought this in Kindle edition and it is a good book, so I decided to buy it in the
paperback, when it came it was for the Viola--not the Violin, when I click on Paperback it switches to Viola, but I

didn't notice that when I ordered it.... so how can I get this book in Paperback for VIOLIN?

An easy-to-teach, straight forward string method from three renowned pedagogues. A unique letter-note style of music notation is utilized which ensures a smooth transition from rote to note reading. Students are quickly introduced to ensemble playing and play a wide variety of fun-to play melodies, keys and modes. Strictly Strings features a carefully prepared lesson sequence which develops all players' abilities equally.
