It gives them a chance to play longer pieces and the accompaniments are fun to play with. I use it with my cello, viola, and violin students. You can also get a piano accompaniment book.0 of 0 people found the following review helpful. Glad to find separately from the book.By D. A. WellsI had worn out my previous CD, and really didn't want to buy the book and CD combo again just to get the CD. Glad to find it sold separately. Great product, great price. Thanks again, .

Strictly Strings Pop-Style Solos provide a wonderful selection of very appealing material for the young instrumentalist. Although correlated to specific pages in Strictly Strings, Book 1, these solos can be performed by any first-year student.
