Author's suggested bowings are excellent and the excerpts chosen are perfect for aspiring orchestra string players.

The String Player's Guide to the Orchestra includes orchestral repertoire, excerpts, scales, and studies for string orchestra as well as individual study. The works may be played individually or in ensembles and the music selections work within a wide range of student ability levels. The book focuses on phrasing, technique, and musical styles and provides a unique entry into performance music preparation with right- and left-hand studies using authentic orchestral excerpts.
