**Denise Kiernan, Joseph D'Agnese : Stuff Every American Should Know (Stuff You Should Know)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stuff Every American Should Know (Stuff You Should Know):

17 of 17 people found the following review helpful. Very interesting but a bit unexpected...By JFI bought this as a gift for my husband who is a history trivia nut, but he was disappointed in the type of information it contained. My adult daughter loved the diverse topics of American trivia (and consequently, hid it in her coat pocket to take to her house). Rather than the constitutional and political tidbits my husband hoped for, it had tidbits about people, places, and things. Why was the first American flag created so large? When was the real date of American independence? We read some things aloud at the dinner table -- many of the short stories are quite humorous, but all stimulate discussion on varying levels. I'd recommend it for middle schoolers to adult!1 of 1 people found the following review helpful. Very useful review material for us old folks.By MandyPretty happy with this overall. Sometimes even as someone born and raised in the US, there are just embarrassing little bits about US history and government that you missed in school, or just don't remember. Either you can go find a 7th grade history textbook and review, or you can go with this, a more palatable option. I was secretly pleased that I passed the US citizenship test questions at the end, but I must admit I didn't get a perfect score. At least this book set me straight.0 of 0 people found the following review helpful. Very small book, not a traditional hardcover sizeBy LoLoThe pictures of this book looked nice but when we received it, found it to be unusually small. More of a novelty and a fail as a gift in my case.

This pocket-sized companion is filled with stuff every American should know. Who played the first game of baseball? What's a bicameral congress? Where did Mount Rushmore come from? Who is Geronimo and who do we yell his name when we jump? Stuff Every American Should Know answers these questions plus great information on the Declaration of Independence, fireworks, the first Thanksgiving, "The Star-Spangled Banner," assassination attempts on U.S. presidents, buffalo nickels, the Statue of Liberty, how to bake the perfect apple pie, and much, much more. From the Hardcover edition.Are the U.S. Constitution and Declaration of Independence important to you?

This slender little volume, compact enough to fit into most hip pockets, is nonetheless packed with a bounty of history, fun facts, essential information and fascinating trivia about what it means to live in the land of the free and the home of the brave.American ProfileStuff Every American Should Know isa very interesting introduction to U.S. history and fills in gaps in ones knowledge. It entertains. It makes you proud and happy to be an American.BookviewsAbout the AuthorDenise Kiernan and Joseph DAgnese are the authors of Signing Their Lives Away and Signing Their Rights Away. Both are winners of Education Press Association awards. They live in North Carolina.
