Smarter Activity Books for Kids : Subtraction - Math Crosswords - Math Puzzle Workbook Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Subtraction - Math Crosswords - Math Puzzle Workbook Volume 1:

0 of 0 people found the following review helpful. Five Stars By hawaiianbeads Perfect, just what I was looking for.

Now that your child has mastered addition, it's time to move on to subtraction. The basic concepts of this math concept must be familiarized in order to complete these puzzles. Since the presentation is through crosswords, your child is expected to be slow with answers for the first few pages as he/she settles in on the new format. But after that, expect a faster work time! Good luck!
