Like doing puzzlesBy EdakAnyone who does Sudoku puzzles will tell you that having 50 copies of the same book of puzzles is OK. because by the time you get to the second copy, do you really remember the answers from the first time you solved these puzzles? No way. It's not like reading a novel and saying "oh yeah, I remember this".I got these 6 books because my son, wife and I like to do a puzzle or two a day. The math-doku puzzles were new to me. Wish they had more.
