From St Martin s Griffin : Sudoku Easy Presented by Will Shortz Volume 1: 100 Wordless Crossword Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Sudoku Easy Presented by Will Shortz Volume 1: 100 Wordless Crossword Puzzles:

0 of 0 people found the following review helpful. Senior Stimulation Without FrustrationBy FranThese puzzles are

definitely not as easy as the "easy" puzzles that I had previously been solving. They are more time-consuming, for me, than those previous puzzles, but are solvable without creating frustration. I like this level of difficulty because I am not into "mental torture." This is good stimulation for my senior brain, and the large, one-page format is perfect for my senior eyes. I was already addicted to crossword and other types of puzzles, but Sudoku is now my greatest addiction.³ of 3 people found the following review helpful. OK I'm hookedBy ellenHad buckled at trying sudoku in papers and magazines, because I am a creature who like the old regulars, like crossword puzzles. I was waiting an inordinately long time in a doctor's office, and they had a sudoku puzzle on the wall with a wipe off pen to figure the sequences out. Curiosity got the better of me, and before the dr. came in (gasp) I had completed the thing! If you like puzzles - cryptograms, or anything that you need to put your creative/logical mind into, I think you will find this new craze fascinating!Who would have 'thunk it' that an English Lit major would do logic puzzles?But it's fun.1 of 1 people found the following review helpful. Easy??By Wayward JimIt is very obvious that the Will Shortz definition of Easy and my definition of Easy are quite different. As a rank beginner, relying pretty much on the hints in the front of this book, I would not refer to the book as easy puzzles. After the first few, the challenge level ramps up rather quickly. Not really a problem because I like a challenge and will do more solution research but this is not really a beginner's book.

The hottest craze in puzzles!"On no account should any reader not already hooked so much as a glance at a sudoku. That way lies addiction and madness. Sudoku are to the first decade of the twenty-first century what Rubik's Cube was to the 1970s." --Tom Utley, The Daily TelegraphFrom puzzlemaster and New York Times crossword editor Will Shortz comes sudoku, the new "wordless crossword" puzzle that's taking the world by storm! Once you start, you won't want to stop. These addictive puzzles are easy to explain--just fill the grid with numbers according to the few simple rules--but incredibly fun and engaging to complete. You don't need any mathematics knowledge: Just supply a pencil and an inquisitive mind.This brand-new collection features original, easy-to-solve sudoku from Will Shortz, along with an introduction that explains these fascinating puzzles and how to solve them. Once you've mastered the easier sudoku, try the last ten puzzles designed to challenge those who want to give their brains more of a workout. If you're a crossword fan, a fan of logic puzzles, or just a puzzle lover in general, you will be engrossed and delighted with sudoku!"A puzzling global phenomenon." --The Economist

A puzzling global phenomenon The EconomistThe biggest craze to hit The Times since the first crossword puzzle was published in 1935. The Times of LondonEngland's most addictive newspaper puzzle. New York magazineThe latest craze in games BBC NewsSudoku is dangerous stuff. Forget work and familythink papers hurled across the room and industrial-sized blobs of correction fluid. I love it! The Times of LondonSudokus are to the first decade of the 21st century what Rubik's Cube was to the 1970s. The Daily TelegraphBritain has a new addiction. Hunched over newspapers on crowded subway trains, sneaking secret peeks in the office, a puzzle-crazy nation is trying to slot numbers into small checkerboard grids. Associated PressForget crosswords.
