Xaq Pitkow : Sudoku: Easy to Medium before purchasing it in order to gage whether or not it would be worth my time, and all praised Sudoku: Easy to Medium:

0 of 0 people found the following review helpful. Great puzzle book for the novice.By NoreladimMy wife has been doing Sudoku puzzles for over twenty years. Since we are retired and getting on in years, I thought it might be a good idea to try more mentally challenging hobbies, like Sudoku, to keep the brain exercised. The book is divided into three parts: Sudo-What? (100 easy puzzles), Novice (75 puzzles), and Intermediate (25 puzzles). I found the Sudo-What puzzles to be a little too easy, and after doing about ten of them I skipped ahead to the Novice section. I also like the spiral bound flip-top configuration and the smaller size which make it very portable.0 of 0 people found the following

review helpful. SudokuBy CustomerSent to my niece as a gift. She loved it.2 of 2 people found the following review helpful. Perfect, practical little notepad!By LittleMrs.MermaidPerfect size! Fits in my purse and love that it's a notepad! Flips open and you don't have to deal with the hassle of a book. There are a lot of puzzles, definitely worth the money. Will keep me busy for a while!

Sudoku craze and pairs the addictive logic-based game with a spectacularly handy format. Filled with 200 grids of varying difficulty, our pocket-sized hardcover notepads are perfect for strategizing on the bus or train. Now that's what we call a smart calculation!
