Left Brain Puzzles : Sudoku Grand Master Edition for Experts Vol 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Sudoku Grand Master Edition for Experts Vol 1:

0 of 0 people found the following review helpful. Not grandmaster levelBy FudgePurchased this as a gift for someone who loves sudoku and wanted a challenge, however he can complete each of them in 5 minutes without much effort.

Did you know that Sudoku is a game that you can play with grandma and grandpa? It evens the playing field because

this game is not about physical dexterity. Rather, its about spotting patterns and identifying the next numbers in the sequence. So the next time you visit your grandparents, bring this book and have a great time bonding over numbers!
