of Sudoku puzzle books and they are quite fun and the first 2 sections (beginner and Novice) can be easily done for regular Sudoku players. You get much more challenge when you come to the Moderate and Advanced pages. At the beginning of the book are you basic instructions on how to play. And there are possibly times when you get stuck but no worries...there are the answers to each and every puzzle in the back. It's all good for those who like the game.1 of 1 people found the following review helpful. Someone else might like it. We do Sudoku a lot but could ...By Gretchen LarsenThis book is too hard for my husband and myself to solve the puzzles. Someone else might like it. We do Sudoku a lot but could not solve these puzzles. That doesn't mean the books are not good, it just means they are not good for us. They are too hard.
