granddaughter. She was so thrilled! These were very simple and she can do them all by herself. She loves to help me when I work Sudoku puzzles but the ones I work were a little hard for her. These were perfect for her and she has really enjoyed working on them. 1 of 1 people found the following review helpful. Almost too easy but a good book. By Kathy M Very very easy Sudoku puzzle book. I'd not worked Sudoku for a few years so wanted to polish up my skills. This is a great book for a beginner or a refresher. It is almost too easy but that is why it is entitled as very easy. Very enjoyable way to pass the time without thinking too much. 0 of 0 people found the following review helpful. Five Stars By Merigold Good quality book. Includes Very Easy and Easy.
