: Sudoku Puzzlefest (Sterling Innovation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sudoku Puzzlefest (Sterling Innovation):

0 of 0 people found the following review helpful. Money well spent.By Marianne ElamThis is the second time I have purchased this puzzle book...worked all the puzzles in the first copy. I like the size of the grids, and the paper is smooth and easy to erase (and I need easy-to-erase, lol).

Pages are smooth and clear, with minimal folds or creases. Minor page curl. Free of any markings or labels. Minor to moderate surface and edge wear to cover. *** Fast Amazon shipping, delivery tracking number, no-hassle return policy - your satisfaction is guaranteed!
