This would be a good starter book for someone who is just getting used to Samurai style. Even when I cut out the pages to enlarge them on my printer, the print style was hard to

get accustomed to (maybe that was just an issue with my eyesight/perception). Not awful, but not what I was looking for. 0 of 0 people found the following review helpful. Five Stars

Outstanding

Sudoku Samurai = 5 overlapping Sudokus in one. The usual sudoku rules apply to each 9 x 9 grid. Place digits from 1 to 9 in each empty cell. Every column, every row and every 3 x 3 box should contain one of each digit.
