I got this game about 10 years ago and loved it great gameBy TheGodTyrI got this game about 10 years ago and loved it great game, but there are two endings one to where you collect all the stars of destiny and one where you do not, I missed 2 and got one ending well fast forward 10 years using this guide was able to 100% complete it and got the alternate ending , great game , informative and accurate manual. It is soft cover so as long as you dont bend the spine back on itself like a paperback book. Ive had it for a year now and is still in pristine condition.0 of 0 people found the following review helpful. Five StarsBy bonbar56great book0 of 0 people found the following review helpful.
