Some of Sondheim's most complex Music.By DavidThis vocal selection is a wonderful companion to those who love this show. Be warned: the piano accompniment is for advanced pianists only. It is quite beautiful, and the lyrics are some of Sondheim's cleverest. The vocal parts are as always difficult, but people familiar with his works should expect nothing less. The music's complexity is what really sets it apart from other shows.The titles include; SUNDAY, FINISHING THE HAT, BEAUTIFUL, CHILDREN AND ART, and MOVE ON. These are some good ideas for a selection, but when every song is a gem , it must have

been hard to choose. To Sunday lovers, this is priceless. To pianist searching for new, challenging material, look no further. 0 of 0 people found the following review helpful. Only 5 songs
By Kyle P. Delaney
When I read the description where it listed songs, I thought those were just examples. I didn't realize that was the entirety of the book. Five songs is far fewer than one would expect from a book of vocal selections from a musical, especially with a musical such as this one that has such a rich selection of songs to choose from.

Titles include: Flying Trees * Sunday in the Park with George * Parasol * No Life * Color and Light * The Day Off * Finishing the Hat * Bustle * We Do Not Belong Together * Beautiful * Jules and Frieda * It's Hot Up Here * Eulogies * After Children * Move On and more.
